Rattlesnake Transportation Committee – Mission and Purpose:

The Rattlesnake Transportation Committee is a subcommittee of the Upper and Lower Rattlesnake Neighborhood Councils. Members of the committee are residents of the neighborhood who volunteer their time to gather monthly (September – June) in public meetings to promote safe, efficient, equitable and accessible transportation options for residents and visitors of the Rattlesnake Valley. Everyone is welcome to attend the meetings and participate to discuss issues and identify potential solutions to be considered by the neighborhood, the City of Missoula, Missoula County and others as appropriate. The committee can be contacted at: rattlesnaketransportationplan@gmail.com

Rattlesnake Transportation Plan:

In 2019 the committee began work to update the 2011 Rattlesnake Valley Transportation Summit Study. Working alongside the Missoula City Office of Neighborhoods, a process was put in place to gather input and feedback from residents of the adjoining upper and lower Rattlesnake neighborhoods and to identify priority issues and potential
