### **Special Guest**

No notes were available to approve from June's meeting in Bonner Park. Emily apologize for that oversight on her part.

Claire and Katherine from Missoula In Motion ([mim@missoulainmotion.com](mailto:mim@missoulainmotion.com)) and Sunday Streets to talk about the upcoming Sunday Streets in University District.

- Event scheduled for Sunday, Sept. 15th with street closures from 10a – 4:30p
- Stones and Stories is unfortunately on the same day due to River City Roots having to move their dates due to the big concerts in town. While this was not desired there were no other dates that would work. Going forward they will continue to try not to have two pillared events like this on the same date/time.
- Sunday Streets will have 45 or so hosted activities, food trucks, fitness classes at Bonner Park and so much more.
- Ask for Neighborhood Council: Missoula in Motion would appreciate assistance for doorhangers and windshield fliers. Mirdad and Tim volunteered to assist.
- Ask for Neighborhood Council: please let your neighbors know about this amazing event.
- Ask for Neighborhood Council: to remind folks who live on the actual route if they could park off the route from 10-4 that would be preferred.
- Kalina will provide Jennipha with the A-Frame signs which will be returned after the event.
- All those living within the closure have received postcards about this event.
- Jennipha plans to put the event in Next Door to ensure more people can learn about it and attend.
- Emily will add Sunday Streets to GrizHub so the whole campus community can learn more about it.
- Sunday Streets has filled all of its volunteer needs so folks can just come and enjoy!

Reminder that Jennipha has her free food distribution each Sunday in the ally near her house.
