- No quorum, so the Leadership Team was unable to approve minutes or dispersal of funds for the Resilience Fair. Discussion of bylaws revision deferred to a future meeting.
- Jenn gave an update on ice cream for the Resilience Fair. Price quoted by Big Dipper is \$3.09 for half pints. Will vote on the quantity at a future meeting. Jenn will also check with Winco for pricing.
- Clint will contact Loretta Kane at Franklin School to see if they can send a reminder to students regarding the Resilience Fair.
- Kalina has submitted the Block Party permits for the Resilience Fair, and will also be in contact with Poteet Construction. Will update as needed.
- Mailers for the Resilience Fair have been sent out and payment has been received.
- Neighbors in Action (NIA) sent several requests: they are requesting we provide fliers for the Resilience Fair. A final draft of the proposed flier will need to be sent to Kalina no later than 08.11.2025 for approval. If this is approved and printed, Jenn will use some to place four sandwich boards around the neighborhood and the remainder will be disbursed to NIA. NIA requested the Leadership Team provide trash services for the Resilience Fair. The Team is unable to fulfill this request at this time. Finally, NIA is requesting funds from the Leadership Team to provide gift cards and/or stipends, and reimbursement for water to the volunteers who maintain the traffic circle planters. They will be redirected to more appropriate grants and programs available through the City.
