

**Lower Rattlesnake Neighborhood Council Leadership Team Meeting  
Minutes, Tuesday, July 29, 2025, Greenough Park Picnic Shelter, 1001  
Monroe Street, 4:00p – 4:50p**

---

1. Roll Call: Peter Lesica, Robert Schultz, Kathy Tonnessen, Marta Meengs, Bradley Layton

Neighborhood Office: Melissa Glueckert

MCPS Consultants: Kate Dinsmore and Rachel Huff-Doria

1. We approved the LRLT meeting minutes from June 27, 2025.

2. Discussion of Lower Rattlesnake Council General Meeting, Cooper A or B at Missoula Public Library from 5:30-7:30p:

- Proposed date sometime the week of October 20, 2025, depending of Missoula Library meeting room availability;

- Ask the two Ward 1 City Council candidates to introduce themselves, without “campaigning”;

- Peter will get the meeting announcement postcard ready several weeks in advance. The Neighborhood Office has a “new way” to deliver the postcards in batches;

- We discussed the October agenda topics and these will be finalized before the postcard goes out.

3. We heard from Kate Dinsmore (WGM Group) and Rachel Huff-Doria (RHD LLC) about the review of Missoula County Public Schools (MCPS) properties plan– (there are 14 buildings and acreage plots around Missoula that are now being assessed). Discussion centered on possible reuse of the Prescott School and opportunities for partnering with other entities. Two other Upper Rattlesnake locations were discussed (one is the PEAS Farm). There will be an Open House at Prescott on September 17, 2025 from 3:30p-5:30p to get neighbors’ input and to tour the building.

4. Vote to adjourn at 4:50p.
