## Rattlesnake Transportation Committee Meeting Minutes

June 10, 2025, 4pm-5:30pm,

Missoula Public Library, Blackfoot Room

---

Attendees: Jeanie Adams, Fred Rice, Bob Giordano (chair), Lucas Moody, Steve Goss, Ali

Public Comment- better walk and bike safety is needed on Greenough Drive, Duncan Drive, Rattlesnake Drive and Lolo Street.

Approve May, 2025 minutes; forthcoming

Neighbors working with the City to make walking paths where sidewalks are lacking

-there is interest for neighbors to help create paths of their own on private property, along streets, at the end of cul de sacs and other locations. Everyone encouraged each other to talk to neighbors and to start making paths.

Providing input to Missoula County Public Schools on the future of Prescott school

-special meeting will be set up for this; Bob will set it up and get the word out, for a meeting on June 24th, 2025 at the school.

Addressing the dangerous curve on Greenough Drive, as the potential for head on collisions seem to be increasing

-Attendees were encouraged to contact local officials to improve the safety on this curve.

Continue discussion on the upcoming code reform addressing density, parking, building heights, mixed use development, set backs, walkability, street standards and more

-postponed until the next meeting, as we ran out of time.

Public comment

-all comments were given at the start of the meeting.

meeting adjourned at 5:30pm
