Discussion started with the Pheasant Run project expected to be completed Oct 13 thru months end.

Grant applications for Neighborhood Energizer is due by Dec 1.

We are working on additional funding options for the Meadow Hill project.

All are in favor of the asphalt pathway, gazebo, pea gravel bed under the gazebo and some draught resistant plants for the site.

We discussed the possibility of Hellgate HS students building a gazebo. The team is going to seek a grant from MOR.

Team is also looking to have a picnic table donated for the neighborhood to enjoy.

No new issues were brought up.

Meeting adjourned.
