

Southgate Triangle Neighborhood Council Leadership Team Meeting

February 10, 2010

7pm Southgate Mall Community Room

The meeting was officially called to order by Hans at 7:00 pm.

Present were Hans Christiansen (acting chair and community forum), Erik West (treasurer), Ann Carpenter, and Ed Childers (Ward 6 Alderman).

Minutes from January were approved.

Treasurer's report from Erik: balance is \$558.28 from original \$800, plus the postage fund of \$465.39 of original \$503.38

Old Business

Neighborhood Watch is a work in progress. Christine Ross & neighbors are getting signatures.

- Erik: how big is a neighborhood watch area?
- Hans: what you see out your door, maybe. What you can see. A block, maybe.
- Those interested in establishing a neighborhood watch did not attend.

New Business

Boyd Park

- The Parks web site has a survey, but the response is not straightforward. (Note 2/11/10: the survey is gone). If a survey is on the Web the response should be via the Web.
- Boyd Park should have sun & shade, covered equipment, diverse equipment for 3-11 year olds. Keep the south end of the park open: big kid area, soccer, frisbee and such. Basketball is good. Volleyball is good.
- Hans thinks another design workshop is coming.
- Montessori School people said they'd comment.

Traffic Calming.

- Ernest. Averys interested.

Community Forum

- Alderman Strohmaier and Jeff Stevens want to know if Community Forum members and their NC's want to ban cell phones.

Snow Angel

- Snow-shoveling volunteers. Didn't work out; logistics weren't there. Will work on it over the summer.

Election Judge Volunteers

- County Elections needs election judges. Need to sign up for 2 years.

Training Retreat for new leadership team members

- Erin would like to do 8 hours on a Saturday.
- It was thought that 8 hours was too long, and that on a nice day the training would have poor attendance.

Reserve Street 30mph school zone

- Ann said the slow zone at CS Porter School was an improvement. It was noted that Jim H and Reggie had worked to make it happen.

Adjourned at 8:15 pm
