

Captain John Mullan
Neighborhood Council Leadership Team Meeting
May 13, 2010 at 7:30 pm
Barnes & Noble Coffee Shop

Meeting called to order at 7:30 pm

Present – Randy Johnson
Kathie Snodgrass
Nathan Howard

Absent - Rod Austin , Jordan Hager, Heather Phillips, Josiah Hodge

There was some confusion over which date was the real one for this meeting, so that may be why some of the board members were not in attendance.

Upcoming Events:

Neighborhood Picnic: So far, we don't know when the Pleasant View mass yard sale is going to be held. Last year, we did the picnic in conjunction with that. Randy will call Rod and find out what the date is. If Pleasant View wants to do it jointly again, we will do the same as last year – supply food and cooks.

Marathon: The marathon will be in July ... maybe July 11th? Nathan will check on the date. We will staff an aid station again. More on this at the next meeting.

Pleasant View Park: The charrette went well, although there weren't as many people participating as we had expected. We need Kent's bill for his time at the charrette, so we can get it paid before the end of the FY. Kathie will call him about that.

Nathan had some ideas for the Neighborhood to consider, including hiring an entertainment management major from the UM as an intern (or maybe for class credit) to locate all the vendors and volunteers in the area who are interested in providing entertainment at events, and assembling a presentation packet to be used when approaching potential donors for Pleasant View Park.

The meeting adjourned about 8:20 pm.
