- A.** Approve committee minutes dated: [August 11, 2010](#)-approved as submitted.
- B.** Public Comment on items not listed on the agenda:

**John Hendrickson, MBIA**, thanked the City of Missoula for excluding his office building from the proposed special districts assessments. He said it came to his attention that the school districts as well as all of the tax exempt properties are now excluded from assessment. He said during the Chamber of Commerce Board meeting this morning, the Mayor made a statement that the City is making deals on un-assessed properties, then corrected himself and said he did not mean to infer deals; "negotiate" would be a better word. He asked if Council authorized the exclusion of the un-assessed properties, as was their right, not the Administrations.

Stacy Rye thanked Mr. Hendrickson and said this issue will be discussed in BCOW at 3:00pm.

**Motion: The committee recommends the Council consider a resolution authorizing the execution and delivery of supplement nos. 4 and 5 (equipment purchased during fiscal year 2010 in the amount of \$850,000 financed with Wells Fargo Investments, LLC) and related documents to a master governmental lease-purchase agreement for the lease of various items of capital equipment and determining other matters in connection therewith**

Brentt Ramharter, Director of Finance, said we did a RFP a year ago to get better interest rates on short term financing for our vehicle replacement program. This resolution will give us one more years worth of proposed lease financing. The lists of the vehicles are attached in the detail tab of the [spreadsheet](#). The interest rate is locked in for 30 days. He requested the committee adopt this resolution.

Ms. Rye asked what the total dollar amount is.

Mr. Ramharter responded \$850,000.

Ms. Rye asked if we could get the local banks to provide financing for this purpose.

Mr. Ramharter said we had responses from US bank and Wells Fargo who have branches in Missoula, but no local Montana only banks. We had many out of state responses.

Ms. Rye stated that the motion and the resolution are vague she suggested adding the dollar amount and the financial institution.

Mr. Ramharter agreed.
