

Captain John Mullan
Neighborhood Council Leadership Team Meeting
July 18, 2012 at 7:30 pm
Barnes & Noble Coffee Shop

Meeting called to order at 8:00 pm (due to Kathie being late)

Present – Randy Johnson, Nathan Howard, and Kathie Snodgrass

Absent – Rod Austin, Steve Schmidt, and Josiah Hodge

Meeting Minutes: The meeting notes from the June LT meeting were approved.

Sweeping Mullan Trail: ProSweep wasn't able to work the path sweeping into their schedule until last week. Nathan will be taking the bill to the Office of Neighborhoods when he's down there this week. Unfortunately, an adjacent neighbor has already whacked weeds in the neighbor's yard and let them fall onto the path...

Related Item: Deb Stension-Hall has received grant funding to expand the bike safety PE classes, so they will now cover all kids in third through eighth grades. The classes will be on the school grounds for this year, but she hopes to have insurance straightened out next year to take the classes on a ride on the (hopefully by then) newly completed extension of the Mullan Trail from the Flynn/Mullan junction to the school. No firm time frame for completing that section has been related to either Deb or to us.

Fall General Meeting: The meeting needs to be the 3rd or 4th week in September. Nathan will find out whether we can reserve the Hellgate School Commons on September 27th from 7 to 9 pm. The agenda will include election of officers, budget, reports from City Council, and ????

Neighborhood Fun Run: Plans are progressing. Nathan needs \$90 for the insurance.

Pleasant View Park: Due to family obligations, Kathie hasn't done anything to re-activate the committee, yet.

Marathon: Our aid station was staffed by a couple of families and the Boy Scouts. Nathan successfully completed the half marathon. There were around 5,000 runners.

Next LT Meeting: August 28th 7:30 Barnes & Noble Coffee Shop on Reserve Street.

The meeting adjourned about 8:45 pm.

Kathie Snodgrass
