- the Study is a conceptual document to guide future park improvements;
- the Study outlines a trail network in the Trail Master Plan that could link many of the neighborhood parks;
- the Study outlines Park Area Detail Plans for each park consistent with concerns expressed during the Visioning process;
- that seven landowners of property adjacent to Kokaski Park do not want the signage, trails, or benched rest area proposed for Kokaski Park.

The resolution was adopted by a vote of forty (40) ayes, one (1) nay, and no abstentions.
