As of April 18th Ruth had not sent the letter.

VIII. New Business:

Tim Lovely and Diane Erlich gave brief histories of High Park access, park encroachment, and a proposed sale of a portion of the park. There was an animated discussion of options and alternatives. Jon Wilkins and Jerry Ballas both gave their perspectives. The leadership team wrote a letter to Jackie Corday, Missoula Open Space Program Manager, stating that they believe the neighborhood council will not support the sale of all four pieces of acreage of High Park and wish there to be easy access to the park from Landon's Way, Simons Drive, and Parkview Way. Gary Barnett made a motion to support the letter. Brad Leonard seconded the motion. **The motion was approved by a unanimous voice vote.**
