6. New Business -
  - We should have a late winter/spring 2017 general meeting on bike and trails transportation plan. This could be a combined meeting with LRNC. Involve Bob Giordano. Corena will check to see if there is a city-wide bicycle committee. We think this topic will generate a lot of interest and could be the sole item for the meeting.

- Closest postal drop box for our neighborhood is in lower Rattlesnake on Elm St. Could we have another at Rattlesnake Market & Café or somewhere in the upper Rattlesnake? Corena will find out the process for requesting one.
- Candidates Forum by LRNC Oct. 13, 2016: LRNC wants to collaborate with Heart of Missoula and URNC in having a candidate's forum. There would be 3 topics – Library Bond, County Commissioners, and local candidates. This would mean that we help pay for postcards. We decided not to participate, but save our mailing supplement dollars for a spring general meeting.
- Montana Rail Link phone number to request moving train cars along: 406-523-1463.

7. Announcements – none
