**Subject:** concerns for your neighborhood

Hi my name is Ed Taylor and I am a member of the Target Range Home Owners Association and was a member of the working group who helped compose the Target Range Neighborhood Plan. Previous to living in Target Range for the past 12 years my wife and I lived in the Orchard Homes neighborhood for 21 years. We watched our neighborhood turn from a rural county neighborhood to one that was annexed into the city and with infill development without proper infrastructure in place, became unlivable for myself and family. I am concerned with the recent zoning change on the parcel on the west corner of 7th and Reserve St. I would like to talk with you if you are willing and tell you some of my concerns.

Thanks for your time.

Ed Taylor
