I. Announcements:

None

II. Public comments on items not listed on the agenda:

None

III. Approve meeting minutes of April 14, 2017

The minutes were approved as submitted.

IV. Administrative:

A. Brain and Barn Storming ideas for the Energy & Climate Team.

Ben said, the Team meets on Friday's because that has been working the best for the previous members. If another day of the week is more convenient for the Team, it can be changed.

The Brain and Barn Storming is held over to a future date when the team is present.

v. Non-Action Items:

A. Municipal [Green Building Policy Development](#).

No report at this time

B. Renewable Energy Fund Raiser – Pumpkin Run

The event is scheduled on Sunday, October 22, 2017 and the 222nd person to cross the finish line is the winner. The proceeds will go towards the new Library, and it has not been determined if the money will go towards energy efficiency or renewable resources. They still need to raise \$5 million and that may take some time.

Max Boese is a new Team member and this is his first meeting. Ben gave a brief overview of the Teams mission and past projects.

There was brief discussion about glass recycling which is a problem in the Missoula community. Bayern Brewing takes certain types of glass, and i.e. Recycling takes glass also, but there are requirements.

Action Items:

None

vi. Adjournment:

The meeting adjourned at 12:30 pm

Respectfully submitted
