1. The minutes of May 20, 2019 were approved as submitted.
2. Public Comment – None
3. Commission Member Comment
  - MCAT studio is available on Mondays.
  - Hours in the annual report don't always add up because each meeting has two staff people and they are guaranteed for two hours. If a council meeting only takes 45 minutes, it still counts for two hours from the City's allocation.
  - MCAT is having a budget crisis and will now be charging for media assistance grants. Adding staff for editing would be difficult, but there may be less outside demand for editing, which would free up editing resources.
4. Old/Continuing Business
  - a. Review current programming schedule that has been recorded/is being recorded
    - Old  
See attached list for previous programming
    - New/Proposed Ideas
      - Video of riding bike paths to show people how to get around
      - Selecting an instrument for the music program in schools
      - Introduction to new superintendent
      - Create board training videos for future members.
5. Set agenda for next meeting
  - MCTAC had planned to revisit MRA board meeting filming after six months.
  - Approve annual report.

Respectfully submitted,  
Jessica Miller, Citizen Services Manager
