General Meeting Discussion:

Northside Infrastructure Meeting Discussion:

Q and A with Ben Weiss and Aaron Wilson

- Biggest issue was safety on Scott Street. With added infrastructure, there are currently no plans to add additional infrastructure on Scott Street for sidewalks, bike lanes, etc.
- Dog owners would like more areas to take their dogs.
- Neighbors are concerned with the increased traffic from the Villagio & the Trinity housing complexes.

The Engage Missoula page has the ability to allow for comments from the neighborhoods.

Timothy motioned to add Derek & Joyce to the Leadership Team. Seconded by Cortney. Motion passed.

Current Accounts:

\$1,564- Northside

\$1,261- Westside

July 1- June 30.

No public comment on non-agenda items and no announcements

Next meeting should be the first week of December if we want to meet before the neighborhood grants are due.

Kalina will send out a poll for when monthly meetings will be.

Adjourn: 6:39 pm
