Thank you, Daniel, for the report.

Commissioner Strohmaier also alerted me to this and met Missoula Police on-site. Our Parks Department will safely store the vandalized sign until it can be repaired and reinstalled.

This vandalism is unacceptable. I'll keep you apprised as we learn more.

Hey everyone, I wanted to pass this along for your information. The Bear Tracks Bridge in Missoula was vandalized. The concrete metal signs that feature information on the Indigenous connection to the area was ripped out of the sidewalk and thrown down the staircase.
