Dear Franchise Official:

We value our customers and are committed to providing them with the latest products and technology, and we work hard to keep prices as low as possible. Effective May 16, 2023, the price for unreturned residential embedded multimedia terminal adapters (D3 and newer models, wired and wireless) will reduce by \$1.00 per month.

We remain committed to providing excellent communications and entertainment services in your community. If you have any questions about this change, please feel free to contact me at (720) 482-6086 or via email at John.L.Lee@Charter.com

Sincerely,
John Lee

Dear news professionals,

Leaders of Missoula's Crisis Intervention Team invite you to observe the CIT Academy's last morning of training tomorrow, April 14, 8:30 a.m. to noon at Mount Jumbo Elementary School.

The Academy is held once a year for professionals from multiple agencies. They spend the week learning about how to deescalate tense situations toward safe and peaceful resolutions. Friday morning, they will demonstrate the skills they've learned during the week by role-playing in powerful scenarios that first responders encounter in their daily work.

See our attached news release for complete information.
