

**Greenough Park Advisory Committee**  
**Minutes**  
**August 1, 2011**

Present: John Pierce, Kathleen Kennedy, Barbara Stanley, Cyndy Braun, Bill Burnett, John Horrell, Morgan Valliant. Also present: Jim Habeck, Hank Butzel. Excused: Matthew Koehler.

**Minutes:** Cyndy moved to approve the June minutes. John Horrell seconded the motion and all voted to approve the minutes as written.

**Public comment:** Jim questioned the process for posting minutes on the city website. Hank commented that he needs help pulling weeds. Houndstongue and burdock are the targeted weeds.

**Brochure:** Kathleen reported that she does not have compatible software to work with the map. Morgan suggested that GPAC submit a grant proposal to the city Office of Neighborhoods for a neighborhood small grant. Grant funds could pay a graphic designer to complete the map and incorporate it into the brochure layout and to do an initial printing. Cyndy and Jim recommended Ed Jenne's work, and Cyndy will contact him to get an estimate. The Parks Board has approved the text, and minor revisions can be approved by Parks and Recreation staff.

The remainder of the meeting was spent touring Greenough Park to observe changes and remediation needed from spring 2011 flooding and to evaluate restoration efforts in the management units.

The next Greenough Park Advisory Committee meeting will be held on Monday, October 3, 2011 at 4 p.m. at the Greenough Park picnic shelter. An updated report on the park survey will be given and the hazard tree assessment walk will be undertaken.

The meeting was adjourned.

Respectfully submitted,

Barbara Stanley, Secretary
