

5th / 6th Meeting 5-11-12

Attending;

Sally Friou

Carol Bellin

John and Dagny Shirey

Deborah Gladback

Susan Luceno

Alex Taft

Mike Dewing

Lynne Mickleson

Dennis Ryan

Pat King and Mary Potter

Andy Ostrowski

Dave Dewey

Issues identified;

Speeding

Safety of residents exiting vehicles

Streets too crowded- There are different widths

Parked cars being hit

One way signs needed in more places

Aesthetics need to be considered –where signs are located

Don't want to lose trees and then increase road size

Bike lane makes 5th too crowded

Not enough enforcement, seems to be more in other locations

Trucks on 5th and 6th

Sidewalks

Possible solutions and needed results;

Traffic calming measures

Safe parking

Sharrows (sp?)

Enforcement

2 way

Bike lane on 4th

Remove bike lane, move to 4th

Electronic monitor – permanent

One lane? Discussed, but concern about extra traffic as a result, would it be really slow care at other times?; Unseen as a solution elsewhere; care may actually speed more.
