Missoula, MT 59802

Sept. 26, 2012, 10:00–11:00 am

Attendees: Bill Flanery, Lynn Redding, Jane Kelly

1. Items to be discussed: planning for next general meeting
Decision was made to set next NC General Meeting after final draft has been reviewed and approved at next LT meeting, or when other business warrants NC meeting.
2. Any items that need to be voted on: support for neighborhood grant for renovation of the tree line on East Broadway
Jamie Yule, Cobblestones Home Owners Association, has requested letter of support from our NC for their grant application by September 28, 2012. We approved that request. Proposal includes planning with City Urban Forester to implement improvements, such as, assessment of existing trees with removal and replacement as needed, soil amendments, and new plantings. Location is private property between condos and East Broadway that is highly visible to general public and neighbors. Property owners have already invested in sprinkler system to supply water for this area.
3. Public comment on non-agenda items

5. Duties assigned:
 - a. LR to record and submit notes for this LT meeting and letter of support for NC grant to East Broadway Tree Project
 - b. BF representing NC @ Community Forum and continue as liaison for projects in his area of East Broadway
 - c. KB and AH update missing notes and file them with Office of Neighborhoods
 - d. JK send templates to LT for meeting notes, official letters, and make recommendations to By-Law changes for review leading to final draft following LT meeting approval. Document needs to be approved by City

Attorney and then NC General Meeting with 30-day public posting prior to that meeting date.
