December 7, 2012**

**The meeting was held at Rattlesnake Gardens**

LT members in attendance were: Emily Plant, Dave Harmon, Caroline Lonski, Max Andersen, Beverly Young, Don Sims, Doug Grimm. Most helpful guest: Jane Kelly, Neighborhood Liaison.

Old Business:

- a. Goals for 2013. A brief review of the status of the creation of the Transportation Committee and the Land Use Committee.
- b. Transportation committee : The mission statement for the transportation committee was read by Caroline. Dave moved for adoption of the statement. Beverly seconded the motion. It was approved unanimously without revisions. Don suggesting to add Bob Giordano. Caroline and/or Emily will contact the listed members and add them to committee as applicable.  
Landuse committee. Dave read the mission statement for the land use committee. The statement was unanimously approved without objections.
- c. The discussion of the City's proposed ADU ordinance was discussed. The Council sent the proposal back to committee for further review and refinement. URNC involvement should be in form of assisting the City Council in soliciting community comments. Discussion of ADU issue is scheduled to take place at the next GM with a recommendation to allow members to vote on the proposal for City Council consideration prior to Council action.

A possible date for the GM was discussed. Jane will inform of Council schedule regarding the ADU proposed action and URNC will subsequently set date for GM. Emily noted that she will not be available in the month of January but will keep in touch via mobile tech. Jane reminded the LT to apply for mailing funds if funds fall short. Don read the Treasurer's report. The total balance is \$ 782.43 the supplemental is \$ 147.36. Don noted that general funds can be used for mailing/ mailing can not be used for general funds. For the GM, Emily have not been able to get response from Shane Stack. We are not being heard in reference to the issue of the "dog bone" construction. Emily stated that bicyclists will have serious difficulties with the proposed traffic moves. Traffic can be backing up to FWY under the current conditions. The proposed plan has scheduled construction late 2014. General Meeting could include discussion and comment on the proposed "dog bone" construction. Emily to email State of Montana requesting a representative for availability to present plan/status of plan at the GM meeting.
