5. Neighborhood Planning for the Year:

Need to discuss softball game winner/loser project. Neighborhood each owes the other a project. Leslie suggested fix up Project Playground. Bob Oaks has some playground maintenance funds that we could use. We need to address safety, playground gets closed during school hours due to slippery/icy surface, kids /parents complain about graffiti. Jane mentioned to get in touch with Rob Sheban and graffiti task force. They can help us. Needs some fresh paint on colorful parts, some new boards.

Leslie suggested work toward spending plan through June. We need to decide on project; lights on the greenway path, (Michelle Cares/ Washington Corp. foundation contact) new pocket park near co-op or continue on pocket park near walk bridge.

6. **Announcements:** General Neighborhood meeting, May 26. Invite Brian Bessette to talk smart schools 2020.
