Community Service	New On-Street Technology/Meter Modernization Project				CS-14

Description and justification of project and funding sources:

As a result of the Downtown Master Plan approved in 2009 the Parking Commission had 9 recommendations to accomplish as described in the strategic parking plan. The last item to be completed by the Parking Commission is "Invest in New Parking Technology". The Parking Commission has hired consultants to explore this item and guide the Commission through the process of determining what the best solution will be for downtown Missoula.
