City of Missoula CIP Project Request Form FY 2015-2019

Program Category:	Project Title:		13 Project #	14 Project #	15 Project #
Parks, Recreation and Open Space	New Equipment-Motorized Wheelbarrow				PR-19

Description and justification of project and funding sources:

The Conservation Lands Division of Missoula Parks and Rec. dept. manages over 45 miles of trails across nearly 4000 acres. Every year it is necessary for us to haul supplies and materials to remote locations for trail construction, habitat restoration, forest thinning and volunteer work projects. Much of these supplies are hauled by trucks if terrain can be driven across; by multiple ATV trips if terrain is steep; or by hand if terrain is very steep. A walk-behind motorized wheelbarrow is a perfect tool for moving materials to site with minimal disturbance. These wheelbarrows have rubber treads, can carry up to 1000lbs, and climb steep terrain. This tool will reduce overall vehicle (truck & ATV) use on conservations lands which will please the public and reduce damage. This tool will also reduce exposure of city staff to injuries by providing an alternative to packing materials to steep work sites by hand.

Qualitative Analysis	Yes	No	Comments			
1. Is the project necessary to meet federal, state, or local legal requirements? This criterion includes projects mandated by Court Order to meet requirements of law or other requirements. Of special concern is that the project be accessible to the handicapped.	<input type="checkbox"/>	<input checked="" type="checkbox"/> X				
2. Is the project necessary to fulfill a contractual requirement? This criterion includes Federal or State grants which require local participation. Indicate the Grant name and number in the comment column.	<input type="checkbox"/>	<input checked="" type="checkbox"/> X				
3. Is this project urgently required? Will delay result in curtailment of an essential service? This statement should be checked "Yes" only if an emergency is clearly indicated; otherwise, answer "No". If "Yes", be sure to give full justification.	<input type="checkbox"/>	<input checked="" type="checkbox"/> X				
4. Does the project provide for and/or improve public health and/or public safety? This criterion should be answered "No" unless public health and/or safety can be shown to be an urgent or critical factor.	<input type="checkbox"/>	<input checked="" type="checkbox"/> X				
Quantitative Analysis	Raw Score Range	Comments			Weight	Total Score
5. Does the project result in maximum benefit to the community from the investment dollar?	(0-3) <input type="checkbox"/> 3	This will greatly decrease impacts caused by vehicles driving across conservation lands and exposure of city crews to strenuous activities like packing materials to the top of mountains by hand.			5	15
6. Does the project require speedy implementation in order to assure its maximum effectiveness?	(0-3) <input type="checkbox"/> 1	In 2014 we have multiple trail construction and restoration projects planned.			4	4
7. Does the project conserve energy, cultural or natural resources, or reduce pollution?	(0-3) <input type="checkbox"/> 3	Yes, this will greatly reduce use of vehicles and the subsequent damage to vehicles when used to drive heavy loads off-road. Also will reduce damage done to lands from vehicles. Will increase capacity and allow us to more efficiently conduct trail rehab. And habitat restoration projects.			3	9
8. Does the project improve or expand upon essential City services where such services are recognized and accepted as being necessary and effective?	(0-2) <input type="checkbox"/> 1	Maintaining quality trail systems and native habitats are high priority for the public as identified in the Conservation Lands Management plan.			4	4
9. Does the project specifically relate to the City's strategic planning priorities or other plans?	(0-3) <input type="checkbox"/> 2	This tool will allow us to more effectively manage our natural and recreational resources on City - owned open space lands. This supports multiple city goals, Master Parks Plan goals and the Conservation Lands Management plan.			4	8
