## Parks & Recreation

Public input is very important to City Parks & Recreation when designing a comprehensive park master plan or a focused master plan for a specific space. Your input helps to ascertain that the neighborhoods shared vision for Syringa Park is reflected in the master plan. Please help us in our efforts to integrate your ideas for the Syringa bike skills park into a comprehensive master plan that reflects the communities shared vision by completing the survey below. Thank you for choosing to be part of the process as we work toward an adoptable master plan for Syringa Park.

Public comments will be accepted from March 28<sup>th</sup> – April 22, 2016. Please return this form via email or mail to [gswanson@ci.missoula.mt.us](mailto:gswanson@ci.missoula.mt.us) or Attn. Garrick Swanson, Missoula Parks and Recreation, 600 Cregg Lane, Missoula, MT. 59801

- 1) How likely are you or someone you know, to use the bike skills park at Syringa as depicted in the proposed master plan?
  - a. Very likely
  - b. Somewhat likely
  - c. Neutral
  - d. Somewhat unlikely
  - e. Highly unlikely
  
- 2) Does the proposed Syringa Park neighborhood master plan meet your expectations?
  - a. Very satisfied
  - b. Somewhat satisfied
  - c. Neutral
  - d. Somewhat dissatisfied
  - e. Very dissatisfied
  
- 3) Do the proposed Syringa Park bike skills features meet your expectations?
  - a. Very satisfied
  - b. Somewhat satisfied
  - c. Neutral
  - d. Somewhat dissatisfied
  - e. Very dissatisfied
  
- 4) Do you feel that your design suggestions are reflected in the master plan?
  - a. Strongly disagree
  - b. Disagree
  - c. Neutral
  - d. Strongly agree
  - e. Not sure/not applicable

**survey continued on back**

- 5) Is there anything in the proposed master plan that had a positive or negative surprise?
  - a. No
  - b. If yes, what specifically
  
- 6) Construction of Syringa Park bike skill features are dependent on available funding and may need to be phased. If you could choose 3 items to be constructed in phase 1, what would they be?
  - a. Kids pump track
  - b. Beginner pump track
  - c. Progressive jump line
  - d. Bike work station area
  - e. Intermediate/Advanced pump park
  - f. Single track skills trail
  - g. Recreation perimeter trail
  - h. Shade shelter
  
- 7) Please provide any additional comments for the design team to take into consideration.
