

Municipal Utility Service Application

FOR PROPERTY OUTSIDE THE CORPORATE LIMITS.

(REV. 10/29/24)

CITY OF
MISSOULA
Missoula, Montana

Application Details

Applicability: This form is for properties outside city limits that need approval to connect to city utilities like sewer or water. It's used for various projects, including subdivisions, new or existing commercial or residential properties, main extensions, stubs, and service connections.

Directions: Complete this form. Attach a site plan that shows existing or proposed structures and existing or proposed utility connections. Attach all exhibits and justification materials to the application.

Residential (single/duplex) must provide a water meter worksheet:

<https://www.ci.missoula.mt.us/DocumentCenter/View/50360/Water-Meter-Sizing-Worksheet>.

Commercial properties must provide the water meter requirements:

<https://www.ci.missoula.mt.us/DocumentCenter/View/69306/County-Wastewater-Meter-Fee-and-Refundable-Deposit>

Once you've completed the form, email it along with all documents to coordinators@ci.missoula.mt.us. Alternatively, you can drop off or mail the application to CPDI in City Hall at 435 Ryman St, Missoula, MT 59802.

We will notify you when the review fee is available for payment. You can review the current County Utility Connection fees online at: <https://www.ci.missoula.mt.us/3280/Public-Works-Mobility-Fees>.

Property Qualifications		
Yes	No	
		Is the portion of property to be served within the Utility Service boundary? Search the property here: https://missoulamaps-cityofmissoula.hub.arcgis.com/apps/fa0b373a0c044ccaabc19d046824951/explore
		Is the property to be served currently zoned? Search the property here: https://gis.missoulacounty.us/propertyinformation/ . Turn on the Base Layer Support for County Zoning.
If yes, Zoning Designation		
Size of Parcel (in acres)		
Floodplain Designation		
Applicable Growth Policy / Land Use Designation		Search the property here: https://gis.missoulacounty.us/CAPS/Floodplain/ . Turn on the Base Layer Support for Land Use area plans and designations.

Attest

By signing below, I(we) have read, understand, and agree to the following:

- The requirements outlined in Resolution No. 8181. <https://www.ci.missoula.mt.us/DocumentCenter/View/40554/Resolution-8181>
- All utility connection fees, including but not limited to impact fees, development fees, contract fees, and permit fees must be paid to connect any buildings or structure to the City's utility systems.
- A utility connection contract and petition for annexation must be signed to connect any buildings or structure to the City's utility systems.
- A licensed and bonded contractor is required to extend or install any utilities and related appurtenances.
- I have notified Missoula County Community Planning and Development of this project proposal.
- Should information change, resubmittal is required.
