

Out of an abundance of caution and in observance of the guidelines provided by the federal Centers for Disease Control and Prevention we have decided to cancel Neighborhood Council, Community Forum and their committee meetings until further notice. We value our community health and want to ensure everyone stays healthy and safe during this time. We will be evaluating options and will be in touch about other ways to collect feedback and next steps in terms of meetings. Thank you all for your continued engagement and remember to wash your hands!
