

Aquatics Reopening • Updated July 2, 2020

Important Dates

- June 10: The Lake,” Splash Montana’s 50-meter pool, opened for adult lap swim, youth swim team practice, and adult Aquacize classes **only**. Reserve a lap lane or Aquacize class at www.missoulaparks.org/register or by calling 721-PARK. **New online registration accounts:** call 721-PARK to get a login and password.
- June 22: Splash Montana Recreation Swim begins at limited capacity, by reservation only, for 90-minute sessions. **Attendance by reservation only**, details below.
- June 22: Currents Aquatics Center opens at reduced capacity for lap swim, Aquacize, and 90-minute recreation swim sessions, **by reservation only**. Details below.

Please review the following information about how to enjoy Splash Montana and Currents Aquatics Center safely during the pandemic. Questions or concerns? Contact Aquatics Manager Eric Seagrave parksrec@ci.missoula.mt.us or 721-PARK (7275.)

Why do I need to reserve a time to swim Splash Montana and Currents Aquatics Center?

At the direction of the Governor’s Coronavirus Task Force and the Missoula City-County Health Department, group size and gatherings are limited to 50 people where physical distancing can’t easily be maintained. A reservation system facilitates physical distancing by reducing the number of people in the facility at one time and limiting pool users to specific areas.

How do I reserve a time for lap swim, recreation (open) swim or Aquacize?

- Swimmers may make reservations for Splash Montana and Currents Aquatics Center by calling 721-7275 or registering online with their existing [Webtrac](#) account. **To set up a new online registration account, call 721-PARK to get a login and password.** Please see pool schedules below.
- Pre-payment is not required; pay or use your punch card/pass at the pool.
- Currents passes are valid at Splash Montana throughout the summer.
- Lap lanes are oriented across the width of The Lake 50-meter pool at Splash Montana, creating eleven 25-yard lanes to accommodate more swimmers.
- City residents may purchase a Resident Discount Card to save 20%. All residents may purchase a punch card or season pass to reduce the cost per swim.
- Splash Montana may close due to lightning or cold temperatures. Staff will attempt to contact you if your session is canceled due to inclement weather.
- Purchase punch cards and passes at Splash or Currents; allow extra time before your session to purchase your pass.
- Please call 721-7275 if you are unable to attend your session, to allow us to open your spot to another swimmer.
- Share The Fun grants are available for individuals or families who need financial assistance, call 721-7275.
- Small group pool rentals and private swim lessons at Splash and Currents may be allowed under current COVID-19 restrictions. Call 721-PARK (7275) for more information.

What about spray decks and splash pools?

Updated June 17, 2020: The state Department of Public Health and Human Services notified Missoula officials on June 16 that access to spray decks and splash pools must be limited to 50 people at one time and additional, more stringent swimming pool regulations apply. Parks and Recreation is currently researching ways to limit access to these outdoor facilities and staff each pool in order to comply with State and County directives. The splash deck opening date is to be announced. We understand that spray decks and splash pools are very important to our community and we are doing everything we can to open them as soon as possible.

What safety protocols are in place at Splash and Currents?

Parks and Recreation is implementing these safety protocols as ordered by public health officials to prevent the spread of COVID-19. We appreciate your courtesy and patience with our staff and each other as you follow the guidelines below.

- DO NOT enter the facility if you have ANY of these symptoms, or have been exposed to a person who has tested positive for COVID-19: Fever or chills, cough, shortness of breath or difficulty breathing, fatigue, muscle or body aches, headache, new loss of taste or smell, sore throat, congestion or runny nose, nausea or vomiting, diarrhea.
- Maintain at least six (6) feet between you and any other people who are not part of your immediate household.
- Wear a face covering when you are not in the pool and cannot maintain 6' physical distancing.
- Masks are required in Currents lobby and in locker rooms at both facilities. We have limited quantities of masks available if you don't have one.
- NEVER wear a face covering in the water.
- You are responsible for washing your hands as well as any object/s you bring into this facility.
- The danger of contracting COVID-19 exists if you choose to enter this aquatic facility.

Lockers and locker rooms

- Face masks required in locker rooms.
- Come dressed to swim. Whenever possible, dress and change outside of the facility to limit exposure to public areas.
- If you must change at the facility, dress in showers or changing stalls. Do not change or loiter in common areas.
- Locker rooms will be monitored for crowding.
- Lockers will not be available. Bring your belongings onto pool deck—DO NOT bring valuables into the facility.

What safety protocols are Aquatics staff using?

- Staff has been extensively trained in COVID-19 safety protocols and procedures.
- Staff will undergo a health assessment at the beginning of each shift.
- Traffic flow and facility features have been modified to promote physical distancing and prevent crowding.
- Staff will regularly sanitize all frequently touched surfaces, including restrooms and locker rooms throughout the day with an EPA-registered disinfectant.
- Staff will wear a face mask where 6' physical distancing is not possible.
- Lifeguards are on duty to supervise the safety of swimmers and respond to emergencies. Please report concerns about distancing and face coverings to the customer service team.

Currents Aquatics Center • Summer, 2020 Schedule
Attendance by reservation ONLY, call 721-PARK (7275.)
