

City of Missoula Program Year 2021 Community Development Block Grant (CDBG) & HOME Investment Partnerships Program Application Guidelines

Background Information:

Community Development Block Grant (CDBG) and HOME Investment Partnerships Program (HOME) funds are made available to the City of Missoula on an annual basis from the Federal Government through the U.S. Department of Housing and Urban Development (HUD). The City’s CDBG and HOME Programs are administered by the Office of Community Planning, Development & Innovation (CPDI). The primary objective of CDBG is the development of viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities for low- and moderate-income individuals. The primary objective of HOME is to provide decent, affordable housing for lower-income households. The City of Missoula identified in its [Consolidated Plan for HUD-Funded Programs 2019-2023](#) three project-related priority needs: rental housing, homeownership, and homelessness. Projects must address one of these priority needs. Please note that as a result of these new Consolidated Plan goals and City Housing Policy goals related to supporting system-wide and market-wide interventions, the City of Missoula will no longer be funding public service projects with CDBG funds.

All applications must comply with the regulations of the CDBG and HOME programs found at 24 CFR Part 570 and 24 CFR Part 92, and described by the specific guidelines below.

Eligible Applicants:

Any eligible for-profit or non-profit organization, business, or governmental agency may apply for CDBG or HOME funds. Applicants must be in compliance with all federal, state, and local laws and regulations.

From the moment of application submittal, applicant may not expend or obligate any HUD or non-HUD funds on project activities until the City of Missoula completes an environmental review and issues a release of funds (including a HUD Authority to Use Grant Funds, if applicable).

**Applications must be received by the application deadline.
Late applications will NOT be considered.**

CONSOLIDATED PLAN GOALS AND APPLICATION ELIGIBILITY

The City of Missoula released its updated Consolidated Plan for HUD-Funded Programs 2019-2023 in June 2019. This plan includes data about community needs, the housing market, and quantitative and qualitative data from the City's Community Needs Assessment. These data have clearly indicated that increasing affordable rental and homeownership housing in Missoula are top priorities for the next five years. As a result, the City of Missoula will strategically focus its HOME and CDBG funding on those projects that are directly connected to affordable housing outcomes. If the proposed application is focused on Homelessness, Rental Housing, Homeownership, and/or Affordable and Fair Housing, this will have no impact.

If the proposed application is focused on Public Improvements, in order to be considered eligible, the application must demonstrate a direct connection to permanent housing outcomes and/or homelessness activities undertaken in direct coordination with Missoula's Coordinated Entry System. The City of Missoula will not fund Public Service projects in program year 2021.

APPLICATION SUBMISSION

The completed application must be submitted as:

1. **Electronic copy of application and budget** (Word and Excel) submitted to City of Missoula Cloud Sharing.
2. **Electronic copy of all required attachments in one PDF** submitted to City of Missoula Cloud Sharing. To the extent possible, please ***create searchable PDFs***. A table of contents for the attachments is preferred, but not required.

Note: Applicants approved to submit a final application will receive instructions on submitting their application to City of Missoula Cloud Sharing.

Signature: Non-profit organizations must have an Officer of their Board of Directors sign the application to assure the application has been authorized by their governing board. A signature from the executive director is not acceptable.

Complete Applications: The applications and attachments must be complete and all requested information attached. Incomplete applications will NOT be considered.

CDBG PROJECT REQUIREMENTS

- Meet one of the three national objectives of the CDBG Program (see Objectives, page 8).
- Be located within the Missoula City limits or demonstrate that reasonable benefits from the activity will accrue to City of Missoula residents.
- Address one of the Objectives stated in the Five-Year Strategic Plan provided that there is a direct connection to the City of Missoula’s Housing Objectives (See Objectives, page 8).
- Be identified as an eligible CDBG activity in one of the following categories (see CDBG Eligible Activities, page 9):
 1. Housing Activities
 2. Public Improvements
 3. Public Facilities Activities

While a project may be appropriate for more than one category, the applicant must identify the project’s primary category.

- CDBG activities involving homeowner rehabilitation, homebuyer and/or rental housing activities must adhere to affordability requirements used for the HOME program:

CDBG Activity	CDBG Investment Per Unit	Length of Compliance / Affordability Period
Homebuyer and Rental Housing acquisition and/or rehabilitation	Less than \$15,000	5 years
	\$15,000-\$40,000	10 years
	\$40,000+	15 years
New construction of rental housing	Any \$ amount	20 years

- If CDBG funds are combined with other funding sources for a project that is new construction of permanent rental housing of five or more units, the project must provide a smoke-free environment in the following areas:
 - common areas, including but not limited to community rooms, community bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevator;
 - within all units; and
 - within 25 feet of building(s), including entry ways, porches, balconies and patios.

Smoke-free includes the use of all burning tobacco products, including electronic cigarettes (“e-cigarettes”). Projects may adopt more restrictive policies.

HOME PROJECT REQUIREMENTS

- Must provide decent affordable housing to lower-income households.
- Be located within the Missoula City limits.
- Be identified as an eligible HOME activity in one of the following categories (See HOME Eligible Activities, page 10):
 1. **Homeowner rehabilitation:** assist existing owner-occupants with the repair, rehabilitation or reconstruction of their homes.
 2. **Homebuyer activities:** acquisition and/or rehabilitation or new construction of homes for homebuyers.
 3. **Rental housing activities:** acquisition and/or rehabilitation or new construction of affordable rental housing.
- HOME activities involving homeowner rehabilitation, homebuyer and/or rental housing activities must adhere to HOME period of affordability requirements:

HOME Activity	HOME Investment Per Unit	Length of Compliance / Affordability Period
Homebuyer and Rental Housing acquisition and/or rehabilitation	Less than \$15,000	5 years
	\$15,000-\$40,000	10 years
	\$40,000+	15 years
New construction of rental housing	Any \$ amount	20 years

- HOME activities are subject to minimum and maximum subsidy limits. 24 CFR 92.205(c) states: “The minimum amount of HOME funds that must be invested in a project involving rental housing or homeownership is \$1,000 times the number of HOME-assisted units in the project.” Annually, HUD establishes limits on the maximum HOME subsidy per unit:

Unit Type	Maximum HOME Subsidy Per Unit
0 BR	\$153,314
1 BR	\$175,752
2 BR	\$213,718
3 BR	\$276,482
4 BR	\$303,490
*Updated June 2020	

- All HOME applications are subject to City of Missoula Underwriting and Subsidy Layering review. The purpose of this review is to ensure project feasibility while also ensuring that the appropriate amount of HOME funding is being provided to the activity. Additional information may be requested to complete this review.
- HOME applicants must ensure a **public comment period of 14 days** prior to submitting your application and host one public meeting at least 7 days in advance of submitting your application.

- If HOME funds are combined with other funding sources for a project that is new construction of permanent rental housing of five or more units, the project must provide a smoke-free environment in the following areas:
 - common areas, including but not limited to community rooms, community bathrooms, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevator;
 - within all units; and
 - within 25 feet of building(s), including entry ways, porches, balconies and patios.

Smoke-free includes the use of all burning tobacco products, including electronic cigarettes (“e-cigarettes”). Projects may adopt more restrictive policies.

APPLICANT REQUIREMENTS (CDBG AND HOME)

- In recognition of the fact that CDBG-HOME funds are intended to be “gap financing,” all applications must demonstrate that the proposed activity would not be feasible but for the CDBG and/or HOME investment. CPDI staff may deny requests for funding if it determines that the CDBG and/or HOME investment is not required for project feasibility.
- All applications must demonstrate that the activity is sufficiently feasible such that it will commence during the 12-month program year – July 1, 2021 – June 30, 2022.
- CPDI reserves the right to not award any CDBG and/or HOME funds if the proposed activity does not sufficiently address the City of Missoula’s goals.
- Provide proof of corporate authorization, such as a board resolution, to request these funds. A sample resolution is attached at the end of this document.
- PY2020 CDBG and/or HOME funds must be 50% drawn down and expended, and PY2019 or prior year CDBG or HOME funds must be 100% expended by the date of PY2021 application submission, unless a reasonable explanation is provided to CPDI.

PERFORMANCE MEASUREMENT

HUD requires performance measurements for all CDBG and HOME awardees that include the identification of objectives and expected outcomes of the project or activity. Quarterly performance reports are required until the project is completed.

MONITORING

The City of Missoula is required by HUD to conduct on-site monitoring of sub-recipient organizations receiving CDBG and HOME funds to assure compliance with CDBG and HOME regulations. All organizations will receive advance notice of the scope and timing of the monitoring visit.

TIMELINE

Project start date may be no earlier than 7/1/2021. In most cases, project completion date should be no later than 12 months after the project start date.

CDBG OBJECTIVES

NATIONAL OBJECTIVES

Each activity must meet one of the following national objectives:

- **Benefit low- and moderate-income persons; OR**
- **Result in the prevention or elimination of slums or blighted conditions; OR**
- **Meet an urgent need**

CITY OF MISSOULA OBJECTIVES

City of Missoula Consolidated Plan goals and objectives for the new five-year plan are detailed in the [Consolidated Plan for HUD-Funded Programs 2019-2023](#).

Goal #1 – Rental Housing. The City will increase and preserve the supply of safe, healthy, affordable rental units for extremely low, low, and moderate-income households in Missoula. We will focus on addressing known challenges to the construction of new rental housing stock and the preservation of existing stock.

Goal #2 – Homeownership. The City will increase homeownership opportunities and preserve existing affordable homeownership stock, including mobile home parks and manufactured housing that is safe and healthy for low-, moderate-, and middle-income households in Missoula.

Goal #3 – Homelessness. The City will work to expand Missoula's capacity to address homelessness, making it rare, brief, and one time only for those experiencing homelessness in the community. To do this, we plan to invest in capital or public service projects that build systemic capacity in the Coordinated Entry System.

Goal #4 - Planning & Administration. The Office of Community Planning, Development & Innovation will plan annually to ensure we are successfully meeting the first three goals identified in this plan. Ensuring that planning for our HUD-funded programs align and complement other community planning efforts and city housing policy are top priorities over the next five years. Additionally, we will work to establish additional, flexible funding sources to support our housing and community development goals. The Outcomes associated with this goal area will include more efficient systems and processes in the Department administration of funds.

CDBG ELIGIBLE ACTIVITIES

Housing Activities

- ✓ Assist in home purchases for low- and moderate-income (LMI) persons;
- ✓ Assist LMI homeowners in repair, rehabilitation, or reconstruction of owner-occupied housing;
- ✓ Evaluate and reduce lead-based paint hazards;
- ✓ Acquisition and clearance of land, demolition, and reconstruction for the purpose of affordable rental and/or homeownership housing development;
- ✓ Site improvements of publicly-owned land while in public ownership;

Note: New housing construction hard and soft costs are NOT CDBG-eligible.

Infrastructure & Public Facilities Activities

- ✓ All activities in this category must be directly-connected to affordable rental and/or homeownership housing activities;
- ✓ Construct infrastructure (street improvements, sewer);
- ✓ Install wiring, fiber optic cables, and permanently affixed equipment such as receivers for areas to receive broadband/internet access;
- ✓ Build neighborhood facilities (e.g., recreational facilities, parks, playgrounds, community and senior centers);
- ✓ Design and construct housing facilities for people with special needs, such as nursing homes, homeless shelters, and group homes for people with disabilities;
- ✓ Make improvements to public facilities in order to meet the Americans with Disabilities Act (ADA), and Architectural Barriers Act (ABA) standards for accessible design.

The examples given do not necessarily represent an all-inclusive list of the possible eligible activities.

HOME ELIGIBLE ACTIVITIES

The examples given do not necessarily represent an all-inclusive list of the possible eligible activities.

INCOME GUIDELINES

CDBG: The primary objective of the CDBG Program is the development of viable urban communities by providing decent housing, a suitable living environment and expanding economic opportunities principally for persons of low and moderate income. Each activity carried out by the City under this program must either be documented to benefit a majority of low- and moderate-income individuals or neighborhoods or result in the elimination and / or prevention of slums and blighted conditions.

HOME: The primary objective of the HOME program is to create housing that is affordable for lower income households.

For Homeowner Rehabilitation and Homebuyer activities, HOME beneficiaries household income must be at / below 80% of the Missoula County Median Income.

HOME Rental activities have two constraints on occupancy:

- **Program Funds Rule:** 90% of the total households assisted through rental or TBRA must have incomes that do not exceed 60% of the Missoula County Median Income.
- **Project Rule:** In projects of five or more HOME-assisted units, at least 20 % of the HOME-assisted rental units must be occupied by families who have annual incomes that are at or below 50% of the Missoula County Median Income.

HUD INCOME GUIDELINES FOR MISSOULA COUNTY

(new income limits may be in effect by the time the CDBG / HOME application is due)

CDBG / HOME SCORING CRITERIA

Applications will be awarded points based on the criteria below. When applications have been scored and ranked, CPDI will forward a preliminary list of recommended awards to the Mayor and City Council. Applicants will receive notification of the recommendations when this process is completed.

Low-Moderate Income Benefit - Measurable Outcomes (50 Points)

Applications will receive points based on measurable outcomes they will report on. The percentage of LMI beneficiaries to be served by each application will translate into a numerical points score based on the tables below.

CDBG Applications	
LMI Beneficiaries % (80% AMI)	Points Available
0%-50%	0 points
51%-60%	10 points
61%-70%	20 points
71%-80%	30 points
81%-90%	40 points
91%-100%	50 points
HOME Applications	
LMI Beneficiaries % [80% AMI (Homebuyer); 60% AMI (Rental)]	Points Available
0%-20%	0 points
21%-40%	10 points
41%-60%	20 points
61%-80%	30 points
81%-99%	40 points
100%	50 points

Community Benefit (100 points)

Applicants are required to describe the larger community impact of their activity. How is this activity moving the needle in terms of achieving Missoula’s goals as stated in Housing Policy and/or the Consolidated Plan 2019-2023? What changes will result in the community as a result of this activity? What kind of period of affordability will the project include? Applicants must provide quantitative and qualitative data that demonstrates this impact.

Project Feasibility (100 points)

Based on organizational capacity, commitment of funding sources, project timeline, outreach / marketing plan, community need, market assessment, site control, and/or other factors, applicant is likely to complete project within the proposed grant period.

Program Delivery Experience & Capacity (50 points)

Applicant’s tenure and quality of past program delivery experience demonstrates sufficient capacity to carry out the proposed activity.

- CDBG / HOME activities previously funded by City of Missoula will use past report data to confirm.
- If you’re a new grantee or an existing grantee applying for a new area, you must submit third party verification of your program accomplishments.

ADDITIONAL REQUIREMENTS

1. **Written Agreement:** All subrecipients will be required to enter into a written agreement in order to receive CDBG and/or HOME funds. At a minimum, the written agreement will contain required provisions at 2 CFR §200.331 (CDBG and HOME); 24 CFR §570.503 (CDBG); and/or 24 CFR §92.504 (HOME).
2. **Records & Reports:** The following records and reports must be maintained and submitted to the City of Missoula in order to assist the City in meeting its record keeping and recording requirements:
 - **Equal Employment Opportunity Reports:** Information on the percentages of women and minorities employed.
 - **Minority Business Enterprise Report:** Information on contracts and subcontracts held by contractors or subcontractors that are majority owned by minorities or women and funded in whole or in part with CDBG-HOME funds (as applicable).
 - **National Objective:** Information showing compliance with the national objective of benefiting low- and moderate-income individuals or areas.
3. **Reimbursement:** All subrecipient drawdown requests for CDBG-HOME funding will be on a reimbursement basis.
4. **Other Program Requirements:** The City and its subrecipients will be required to conform – at a minimum – to the following Federal Laws as applicable:

Fair Housing: Affirmatively furthering fair housing (Public Laws 88-352 and 90-284, Executive Order 11063) and comply with The Fair Housing Act (42 U.S.C. 3601-3620) its implementing regulations (24 CFR Part 100-115). Subrecipients who receive CDBG-HOME funding for housing purposes must designate a representative, who is involved in the project activities for which these CDBG funds have been awarded, as the designated representative to attend qualified fair housing training. The sub-recipient must certify by providing a copy of the attendance certificate that this designated representative has either attended a qualified fair housing training within one year prior to the receipt of funds, or will attend a qualified fair housing training within one year of receipt of funds. For the purposes of this requirement, “qualified fair housing training” means any fair housing training receiving continuing professional credit (CLE, licenses real estate agents or property managers education credit architects education credit, etc.).

Discrimination: Section 109 of the Housing and Community Development Act prohibits discrimination on the grounds of race, color, religion, sex, disability, familial status, or national origin in the uses of CDBG and HOME funds. In addition, discrimination on the grounds of marital status, creed, age and political ideas is prohibited in Montana. The City and its subrecipients will be required to comply with the Montana Human Rights Act (49-2-305, MCA), which prohibits discrimination in the sale or rental of housing, the financing of housing or the provision of brokerage services against any person on the basis of race, color, religion, creed, sex, age, marital status, national origin, handicap or familial status. They will also be required to comply with Missoula City Ordinance 3428, which prohibits discriminatory practices in the areas of employment, public accommodations and housing on the basis of race, color, national origin, ancestry, religion, creed, sex, age, marital or familial status, physical or mental disability, sexual orientation, gender identity or gender expression.

Labor Standards: Federal Davis-Bacon Act Wage Rates apply to public construction work in excess of \$2,000. For CDBG Housing, Davis-Bacon is triggered when the activity includes 8 or more total housing units. For HOME, Davis-Bacon is triggered when the activity involves 12 or more HOME-assisted units. Additional federal labor standards may apply to the activity.

Environmental Review: The City of Missoula will assume responsibility for completing the environmental review requirements for each CDBG assisted activity. From the moment that the applicant submits its CDBG-HOME application, applicant may not obligate or expend any HUD or non-HUD funds on the proposed activity until the City of Missoula completes an environmental review and issues a release of funds (including a HUD Authority to Use Grant Funds, if applicable).

Employment and Contracting Opportunities: Subrecipient organizations will be required to comply with Executive Order 11246 prohibiting discrimination in employment on federally assisted construction contracts and Section 3 of the Housing and Urban Development Act of 1968 requiring, to the greatest extent feasible, employment opportunities for residents from lower-income areas.

Lead-Based Paint: The use of lead-based paint is prohibited and rehabilitation work on residential structures built prior to 1978 must be conducted according to HUD regulations on lead-based paint. Applicant must document compliance with HUD Lead-Based Paint regulations, including if their activity is exempt.

Use of Debarred, Suspended, or Ineligible Subrecipients and Contractors: CDBG/HOME funds cannot be used to provide funds to subrecipients and/or employ debarred contractors. Provision of a DUNS number and registration with sam.gov is required from all subrecipients and contractors before their work may begin. Subrecipients must submit documentation from sam.gov to CPDI demonstrating that no debarred subrecipients or contractors will undertake activities using CDBG/HOME funds. All CDBG-HOME subrecipients must also maintain and ACTIVE registration in sam.gov in order to receive CDBG and HOME funds.

Uniform Administrative and Cost Principles: All subrecipients will be required to comply with the policies, guidelines, and requirements of 2 CFR 200.

Conflict of Interest: No person who is an employee, grant consultant officer, elected official, or appointed official to the City or of any public agency receiving funds, who exercises and functions or responsibility with respect to CDBG-HOME funds or who are in a position to participate on a decision-making process or gain inside information with regard to such activities, may obtain a personal financial interest or benefit from the activity, or have an interest in any contract with respect thereto, or the proceeds there under, either for themselves, or those with whom they have family or business ties during their tenure or for one year thereafter. Subrecipients are encouraged to review conflict of interest requirements at 24 CFR 570.611 (CDBG); 24 CFR 92.356 (HOME); and 2 CFR 200 (CDBG and HOME).

Displacement and Relocation: The Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (Uniform Act or URA) is a Federal law that establishes minimum standards for Federally funded programs and projects that require the acquisition of real property (real estate) or that displace persons from their homes, businesses, or farms. The Uniform Act's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for Federal or Federally-funded projects. Section 104(d) of the Housing and Community Development (CPDI) Act provides minimum requirements for CDBG-HOME funded programs or projects when units that are part of a community's low-income housing supply are demolished or converted to a use other than

low- or moderate-income dwellings. Applicants must begin documenting compliance with these laws beginning with the date of its CDBG-HOME application or the date of the initiation of negotiations, whichever is earlier. Consult HUD Handbook 1378 for more information: https://www.hud.gov/program_offices/administration/hudclips/handbooks/cpd/13780

Procurement: All CDBG-HOME subrecipients are required to follow federal procurement provisions at 2 CFR 200.317-326 (as applicable) as well as any applicable procurement standards established by Montana Code Annotated and the City of Missoula.

5. **Religious Organizations (Special Conditions):** Applicants affiliated with religious organizations that are performing activities determined by HUD to be free from sectarian influences will be required to agree to HUD's "Special Conditions for Religious Organizations."
