

Summer 2022 Adult Sports

League details and more info at www.missoulaparks.org.

Get your friends and family together during the beautiful summer months to participate in one of our evening adult sport leagues. Play the sports you love while enjoying and promoting healthy lifestyles with your community. All leagues are fun recreational leagues, with an emphasis on enjoyment of play, exercise, and being with friends. No alcohol or tobacco use permitted before, during, or after any sports league.

Parks & Recreation Sports Philosophy

We're dedicated to quality recreation experiences for players of all skill levels while facilitating a safe and fun environment and promoting good sportsmanship. We provide these services with an underlying belief that our sports leagues focus on a healthy level of competition, placing more emphasis on participation than winning and losing.

Captains/Free Agent Meetings

Captains' meetings are MANDATORY unless otherwise noted. If team captain cannot make the meeting, a team representative must attend. Please see individual sports' rules for the point/score-reduction policy regarding Captain's Meetings. If a team misses their Captains Meeting, their first match will be awarded a sportsmanship rating of no more than 3.

Free agents are invited, but not required, to attend Captains Meetings to find teams to play on and/or meet new players with similar interests.

Register Your Team

Registration forms are available at Currents or register online at missoulaparks.org/register. Bring registration form and fee to Currents in McCormick Park, pay over the phone, or online. Registration must be received on or before the deadline. League space is limited; team registration is accepted on a first-come, first-served basis. Days/times are subject to change. Leagues may be combined and/or play on different days.

**Interested in playing sports but don't have a team?
Register on IMLeagues as a free agent, details on pg. 33.**

Team Sportsmanship Rating (SR)

Teams awarded a sportsmanship rating between 1-4 for every game played. Ratings are entered and calculated on IMLeagues. To be eligible for season tournaments or champ nights, teams must maintain a 3 or better SR. Any team with an average of 2.5 or less will be subject to removal from the league and/or disciplinary discussions with the Adult Program Coordinator.

- 1: Extremely poor sportsmanship
- 2: Poor sportsmanship
- 3: Good sportsmanship
- 4: Fantastic sportsmanship

Forfeit Policy

A forfeit happens when teams are unable to provide enough players to field a team for their game/match. In the case your team must forfeit, please email or call Anna Bruning, Adult Program Coordinator at bruninga@ci.missoula.mt.us, 406-552-6684 at least 24 business hours prior to your scheduled game. This allows your opponent appropriate time to be contacted and informed of the forfeit. In the case of a forfeit, teams

will be awarded a loss (see sport-specific rules for forfeit score) and lower SR. With 24+ business hours' notice, the forfeit will be given an SR of 3. With less than 24 business hours' notice, the team will be given an SR of 2. Any team with an average SR of 2.5 or less will be subject to removal from the league and/or disciplinary discussions with the Adult Program Coordinator.

Refunds

After the registration deadline, refunds will only be provided in full for extenuating circumstances or if the league/event is cancelled. In extenuating circumstances, the refund is at the discretion of the Adult Program Coordinator and Recreation Program Manager. Refund may be returned at a pro-rated amount.

Gender Requirements

Co-Rec: Has specific gender requirements per sport rules, see sport-specific rules for number of players of a particular gender.*

Open: League has no gender requirements – may have unspecified amount of any gender on the team.

Women's: Only players who identify as women may participate.

Men's: Only players who identify as men may participate.

*Participants shall be permitted to participate in adult sport programs in accordance with the individual's consistently expressed gender identity.

Skill Levels

Skill levels will be in the league name/description. Players and captains should understand their skill level and sign up accordingly. Please email bruninga@ci.missoula.mt.us if you have any questions about skill levels. Some leagues & tournaments may not have designated skill levels and be open to all levels of competition.

A: Advanced/Competitive. Players looking for strong competition, have foundational skills and experience playing. This is the highest level of competition that we offer.

B: Recreational/Intermediate. Players might have some prior playing experience and looking for a more recreational atmosphere or moderate competition.

C: Beginner/Novice. Players have little to no prior playing experience, looking for a learning or improvement atmosphere with low-level competition.

Accessibility

For accommodations related to access, please contact Anna Bruning at bruninga@ci.missoula.mt.us or 552-6664.
