

Zootown Derailleurs Youth Cycling Team

Join the ZTD family! Something for every level of rider from balance bike to teen. Fee includes Derailleurs team swag. Bikes with handbrakes and gears recommended for ages 6 and up. We have reduced the fall season to four weeks due to historic weather patterns in October. Grants for families who need financial assistance are available with support from MTB Missoula! For grants or program questions, email ztd@ci.missoula.mt.us.

Practice may be cancelled occasionally due to inclement weather. Cancelled practices will not be rescheduled due to reduced daylight hours in the fall. ZTD Rangers is back with from friends at MTCX—focusing on cyclocross skills for ages 8 and up.

PLEASE NOTE: As the ZTD program expands, we've learned that young riders can thrive even more while learning single-track biking without training wheels. ZTD prides itself on being inclusive and empowering. With this in mind, we encourage ZTD riders to embrace the joy of two wheels or a balance bike. For valuable tips on teaching kids to ride without training wheels, feel free to reach out to program director Meg Whicher at whicherm@ci.missoula.mt.us.

Registration opens Sunday, August 6, 9 a.m.
