PREAMBLE:

We the people of Upper Rattlesnake Neighborhood Council will pool our resources and creativity to make this a safe and involved neighborhood and one where the residents have an opportunity to recommend what will happen in their immediate neighborhoods and in the Upper Rattlesnake Valley. We will be an informed Neighborhood Council that seeks advice from and acknowledges all neighbors, and will be appreciative of their support and participation.

Article I. Purpose

Section 1. Name & Boundaries

Upper Rattlesnake Neighborhood Council (URNC). The Upper Rattlesnake geographic area includes the Rattlesnake Valley north from the north side of Lolo Street.

Section 2. Purpose

The URNC Bylaws comply with the current City Ordinance governing Neighborhood Councils and is organized in accordance with Missoula Municipal Code Chapter 1.18 with the following goals:

- Encourage citizen participation, the inclusion of differing viewpoints and perspectives that allow residents to feel included and empowered to contribute to improving the livability of their communities,
- Provide an open process by which all neighborhood residents may involve themselves in the affairs of the neighborhood,
- Build opportunities for neighborhood communication, neighborhood-initiated projects, interaction, and problem-solving, and
- Provide an avenue for citizens to make recommendations and communicate with City Council and City government.

Article II. Membership

Section 1. Membership Qualifications

All residents (homeowners, renters, nonprofits, neighborhood organizations, and business owners) residing within the boundaries of the Upper Rattlesnake Neighborhood are members of the URNC. Composition of this Council should reflect the diversity that exists within that neighborhood.

Section 2. Membership Powers and Voting

Each member is eligible to one vote. Representatives from businesses, schools and other organizations are welcome to participate in neighborhood councils and the Community Forum, but may not vote. Voting may be by show of hand or written ballot of the members present. No proxy or absentee votes are allowed for General Membership meetings.

Section 3. Member Conduct

We consider it a privilege to present and listen to diverse views. We must treat each other with respect. We expect participants to be recognized before speaking, engaging in active listening, and making concise statements.

We further expect participants to refrain from disrespectful displays, such as profanity, personal attacks, signs, and heckling. The presiding officer may ensure that these activities do not interfere with the conduct of the meeting. Attendees who do not observe these guidelines may be asked to leave. At no time may any URNC member represent the URNC to any other public body, City staff, or any organization unless the person has been authorized to make such representations at an advertised public meeting where a vote has authorized such representations to be made.
