**Summary Description and rationale of project and funding sources:**

This CIP item is the FY24 implementation of the URD III Water Network Program and involves the installation of water main in Dearborn Avenue between Schilling and Kemp, and Kemp Street between Dearborn and Livingston. The program has an annual budget of \$500,000 for engineering and construction with the goal of building out the City water distribution network in water deficient areas of URD III prior to sunset of the District. Upon approval by the MRA Board, the project will be funded with URD III Tax Increment Funds.
