

CERTIFICATE OF SURVEY

TO SHOW THE RELOCATION OF COMMON BOUNDARIES, LOCATED IN SECTIONS 13 & 24, T.13N., R.19W., AND SECTIONS 18 AND 19, T.13N., R.18W., P.M.M., MISSOULA COUNTY, MONTANA.

COS 4494

JUNE, 2002

SURVEYOR'S NOTE:

The corner common to Sections 18, & 19, T.13N., R.18W. and Sections 13, & 24, T.13N., R.19W. was originally monumented with a stone. All surveys using this corner prior to 1988 indicate that a stone was found in this location and used for said surveys as the section corner.

A Corner Recordation form filed in 1985 (from a survey done in 1988) by Thomas L. Russell, Montana Registered Land Surveyor No. 8238, with Triangle Engineering (filed in Book 458 at Page 985, Micro Records of Missoula County) indicates that in 1988 an "Original stone with proper markings" was found, and that the "Stone has been locally accepted as section corner."

The Corner Form also states that the surveyor "Set: 3-1/4\" alum. cap as described on a 2-1/2\" by 30\" alum. Pipe, adjacent to the W. side of the stone." And, the sketch of the original position, and set the monument to the section corner. This suggests that Mr. Russell left the stone in its original position, and set the monument along side the stone as a reference monument to the actual corner stone.

Unfortunately, the cap is NOT stamped "RM" as the sketch on the Corner Form indicates, and surveys made since 1988 have used the aluminum cap as the corner rather than the stone. I do find the stone in place, just below the surface of the ground, and bearing S.45E, 0.50 feet from the aluminum cap as the corner.

Adjacent monuments from surveys made prior to 1988 were found to fit the aluminum cap quite well. This suggests that the aluminum cap might actually occupy the position of the original stone, other than being on "RM" to the section corner as noted on the Corner Form by Russell. At the time of the survey, I was not aware of previous surveys in this area that the aluminum cap had been used as the section corner by surveyors since 1988. I have concluded to accept the aluminum cap as the true position for this section corner.

Missoula County, Montana
Certificate of Survey No. 5298

BOUNDARY RELOCATION TRACTS 3 & 4 - RETRACEMENT TRACTS 7 & 8

We hereby certify that the purpose of this survey is to show a retrace of two existing Tracts of land (Tracts 7 and 8) and the relocation of common boundaries (Tracts 3 & 4), therefore this division of land is exempt from review as a subdivision pursuant to Section 76-3-103 (3) and Section 76-3-207 (1) (a), M.C.A., to wit: "divisions made outside platted subdivisions for the purpose of relocating common boundary lines between adjoining properties".

SURVEYOR'S CERTIFICATION

I hereby certify that the attached plat represents a survey performed under my supervision, and substantially completed on 6/13/02 hereon.

Thomas M. Hanson, P.E.
Professional Land Surveyor
Montana Registration No. 3153ES

FINAL APPROVAL OF THIS CERTIFICATE OF SURVEY GRANTED BY:

Alma Jean Brown DATE 6/13/02
MISSOULA COUNTY SURVEYOR
Alma Jean Brown DATE 6/13/02
MISSOULA CITY/COUNTY SANITARIAN

PURPOSE OF SURVEY

The purpose of this survey is to show a retrace of two existing Tracts of land (Tracts 7 and 8) and the relocation of common boundaries (Tracts 1, 2, 3, 4, 5 and 6), therefore this division of land is exempt from review as a subdivision pursuant to Section 76-3-103 (3) and Section 76-3-207 (1) (a), M.C.A., to wit: "divisions made outside platted subdivisions for the purpose of relocating common boundary lines between adjoining properties".

NOTES: This Certificate of Survey was not reviewed for adequate access, installation of utilities, compliance with zoning, comprehensive plan or availability of public services; nor does this approval obligate Missoula County to provide road maintenance, dust abatement or other services.

This certificate shall not be available as a recording reference for any transfer of Portion A, B, or C, subsequent to that transfer necessary to complete the boundary relocation indicated hereon.

SURVEYOR'S NOTE:

The corner common to Sections 18 & 19, T13N, R18W, and Sections 13 & 24, T13N, R19W was originally monumented with a stone. All surveys using this corner prior to 1988 indicate that a stone was found in this location and used for said surveys as the section corner.

A Corner Recordation form filed in 1995 (from a survey done in 1988) by Thomas L. Russett, Montana Registered Land Surveyor No. 8238, with Triangle Engineering (filed in Book 458 at Page 885, Micro Records of Missoula County) indicates that in 1988 an "Original stone with proper markings" was found, and that the "Stone had been locally accepted as section corner".

The Corner Form also states that the surveyor "Set: 3-1/4" alum. cap as described on a 2-1/2" by 30" alum. Pipe, adjacent to the W. side of the stone." And, the sketch of the aluminum cap on the form indicates that it was stamped as an "RM" (reference monument) to the section corner. This suggests that Mr. Russett left the stone in its original position, and set the aluminum cap along side the stone as a reference monument to the actual corner stone.

Unfortunately, the cap is NOT stamped "RM" as the sketch on the Corner Form indicates, and surveys made since 1988 have used the aluminum cap as the corner rather than the stone. I do find the stone in place, just below the surface of the ground, and bearing S.45E, 0.50 feet from the aluminum cap.

Adjacent monuments from surveys made prior to 1988 were found to fit the aluminum cap quite well. This suggests that the aluminum cap might actually occupy the position of the original stone rather than being an "RM" to the section corner. The Corner Form by Mr. Russett. As the existing monuments from previous surveys fit the aluminum cap well, and the aluminum cap has been used as the section corner by surveyors since 1988, I have concluded to accept the aluminum cap as the true position for this section corner.

Sheet 1 of 3
Missoula County, Montana
Certificate of Survey No. 5298

PERIMETER LEGAL DESCRIPTION

Parcel C-2, Certificate of Survey No. 1812, and Tract A3, Certificate of Survey No. 1941, records of Missoula County, TOGETHER WITH a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, and the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, and the Southwest one-quarter (SW1/4) of Section 18, and the Northwest one-quarter (NW1/4) of Section 19, Township 13 North, Range 18 West, Principal Meridian, Montana, Missoula County, Montana, and being more particularly described as follows:

Commencing at the Section corner common to Sections 13 and 24, Township 13 North, Range 19 West, and Sections 18 and 19, Township 13 North, Range 18 West; thence along the line common to said Sections 13 and 24, S.89°34'50"W., 124.60 feet to a non-tangent point of curvature, said point being the TRUE POINT OF BEGINNING and being on the easterly boundary of Deed Exhibit No. 3804 and having a radial bearing of S.77°12'25"W.; thence the following two (2) courses along said easterly boundary: an arc distance of 255.86 feet along said non-tangent curve, being concave to the southwesterly, of radius 1687.02 feet and delta 08°41'23" to a point on a tangent line; thence along said tangent line, N.21°28'58"W., 312.44 feet; thence departing said easterly boundary, N.21°59'27"W., 59.23 feet to the southeast corner of said Certificate of Survey No. 1812; thence the following three (3) courses along said easterly boundary: N.20°27'39"W., 98.08 feet; thence N.11°02'49"W., 217.68 feet; thence N.01°30'34"E., 129.56 feet to the southeast corner of said Parcel C-2; thence along the south boundary of said Parcel C-2, S.78°46'44"W., 151.10 feet to the southwest corner of said Parcel C-2, said point being a non-tangent point of curvature and having a radial bearing of N.83°17'22"E.; thence the following two (2) courses along the westerly boundary of said Parcel C-2: an arc distance of 223.68 feet along said non-tangent curve, being concave to the east, of radius 532.32 feet and delta 24°04'33" to a point on a tangent line; thence along said tangent line, N.17°21'55"E., 90.38 feet to the northwest corner of said Parcel C-2; thence along the northerly boundary of said Parcel C-2 and a projection thereof, S.59°06'22"E., 247.80 feet to a point on the low water line of the Clark Fork River; thence along said low water line as approximated by the following seventeen (17) courses: S.18°28'39"W., 57.40 feet; thence S.05°56'27"E., 41.36 feet; thence S.86°50'28"W., 54.84 feet; thence S.18°56'47"E., 29.90 feet; thence S.77°10'57"E., 40.91 feet; thence N.75°36'14"E., 40.75 feet; thence S.54°12'10"E., 155.36 feet; thence S.20°24'50"E., 47.84 feet; thence S.71°50'51"E., 37.99 feet; thence S.43°23'37"E., 184.10 feet; thence S.07°39'43"E., 379.90 feet; thence S.15°36'10"E., 329.56 feet; thence S.27°03'07"E., 79.98 feet; thence S.23°59'27"E., 72.26 feet; thence S.36°19'48"E., 39.00 feet; thence S.10°27'53"E., 89.51 feet; thence S.17°34'48"E., 277.72 feet; thence departing said low water line, S.89°38'06"W., 354.02 feet to a point on the line common to said Sections 19 and 24; thence along said Section line, N.00°21'54"W., 270.81 feet to the southeast corner of said Tract A3; thence along the south boundary of said Tract A3, S.89°38'46"W., 149.93 feet to the southwest corner of said Tract A3, said point being a non-tangent point of curvature, having a radial bearing of S.83°51'00"W.; thence along the west boundary of said Tract A3, an arc distance of 181.29 feet along said non-tangent curve, being concave to the southwesterly, of radius 1637.02 feet and delta 06°20'43" to a point on the line common to said Sections 13 and 24; thence along said Section line, N.89°34'50"E., 53.54 feet to the TRUE POINT OF BEGINNING.

Containing 12.88 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TOGETHER WITH

A Tract of land located in the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, being more particularly described as follows:

Commencing at the Section corner common to Sections 13 and 24, Township 13 North, Range 19 West, and Sections 18 and 19, Township 13 North, Range 18 West; thence along the line common to said Sections 19 and 24, S.00°21'54"E., 762.11 feet to the TRUE POINT OF BEGINNING; thence continuing along said Section line, S.00°21'54"E., 558.28 feet to the Southeast corner of the Northeast one-quarter (NE1/4) of said Section 24; thence along the south boundary of said Northeast one-quarter of the Northeast one-quarter (NE1/4) of said Section 24, S.89°15'10"W., 324.85 feet to a point on the easterly boundary of Sunrise Addition No. 2, a subdivision of Missoula County, said point being a non-tangent point of curvature, having a radial bearing of N.76°30'49"W.; thence the following two (2) courses along said easterly boundary, an arc distance of 55.34 feet along said non-tangent curve, being concave to the northwesterly, of radius 2864.79 feet and delta 01°06'24" to a point on a tangent line; thence along said tangent line, N.12°22'47"E., 521.02 feet to a point on the south boundary of Certificate of Survey No. 1548, records of Missoula County; thence along said south boundary, S.89°54'12"E., 197.18 feet to the TRUE POINT OF BEGINNING.

Containing 3.35 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

Containing a TOTAL of 16.23 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

LEGAL DESCRIPTIONS

TRACT 1, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 1.20 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 2, CERTIFICATE OF SURVEY NO. **5299**; a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 1.39 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 3, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, and the Southwest one-quarter (SW1/4) of Section 18, Township 13 North, Range 18 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 1.58 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 4, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, and the Southwest one-quarter (SW1/4) of Section 18, Township 13 North, Range 18 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 4.88 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 5, CERTIFICATE OF SURVEY NO. **5299**; a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, and the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, and the Southwest one-quarter (SW1/4) of Section 18, and the Northwest one-quarter (NW1/4) of Section 19, Township 13 North, Range 18 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 3.21 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 6, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 0.62 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 7, CERTIFICATE OF SURVEY NO. **5299**; a Tract of land located in the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 2.55 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

TRACT 8, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 0.80 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

PORTION A, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 0.20 acres more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

PORTION B, CERTIFICATE OF SURVEY NO. **5299**; a Tract of land located in the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 2,447 square feet, more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

PORTION C, CERTIFICATE OF SURVEY NO. **5298**; a Tract of land located in the Northeast one-quarter (NE1/4) of Section 24, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana.

Containing 2,148 square feet, more or less, being subject to all easements and rights-of-way as shown, apparent, existing or of record, and all according to the attached Certificate of Survey.

BOUNDARY RELOCATION TRACTS 1 & 2

AGREEMENT

WHEREAS, Jack and Helen Brown are the owners of Tract C-2, Certificate of Survey No. 1812, located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana, and

WHEREAS, Richard A. and Linda S. Ainsworth are the owners properties located in the Southeast one-quarter (SE1/4) of Section 13, Township 13 North, Range 19 West, Principal Meridian, Montana, Missoula County, Montana, which includes Tract 1, as described in Book 635, Page 1921, Micro Records of Missoula County, Montana, and

WHEREAS, these two adjacent properties share a common boundary line, and

WHEREAS, due to conflicting information on the deeds of record on these two properties and on recorded survey plats and other unrecorded previous surveys of these adjoining properties, it is impossible to determine in all certainty the true location of the boundary line common to these two adjacent properties, and

WHEREAS, these adjoining property owners are desirous of firmly establishing, now and forever, their common boundary between these two properties, and

WHEREAS, Richard A. and Linda S. Ainsworth wish to give up all right, title and interest they may have in that property shown hereon as Portion A;

NOW THEREFORE, we the undersigned, hereby agree that the true boundary line between the above noted adjoining properties, shall be that line shown on this Certificate of Survey as the line between Tracts 1 and 2, and also as the "Line of Agreement", and shall be considered to be the agreed upon common boundary line between these two properties from this day forward.

We hereby certify that the purpose of this survey is to show the relocation of common boundaries (Tracts 1 & 2), therefore this division of land is exempt from review as a subdivision pursuant to Section 76-3-207 (1) (a), M.C.A., to wit: "divisions made outside platted subdivisions for the purpose of relocating common boundary lines between adjoining properties".

SURVEYOR'S CERTIFICATION

I hereby certify that the attached plat represents a survey performed under my supervision, and substantially completed on 6/13/02 as shown hereon.

ss Thomas M. Hanson
Thomas M. Hanson, P.L.S.
Professional Land Surveyor
Montana Registration No. 3153ES

FINAL APPROVAL OF THIS CERTIFICATE OF SURVEY GRANTED BY:

Edward S. Bann 6/13/02
MISSOULA COUNTY SURVEYOR DATE
Edward S. Bann 6/11/02
MISSOULA CITY/COUNTY SANITARIAN DATE

PURPOSE OF SURVEY

The purpose of this survey is to show a retracement of two existing Tracts of land (Tracts 7 and 8) and the relocation of common boundaries (Tracts 1, 2, 3, 4, 5 and 6), therefore this division of land is exempt from review as a subdivision pursuant to Section 76-3-103 (3) and Section 76-3-207 (1) (a), M.C.A., to wit: "divisions made outside platted subdivisions for the purpose of relocating common boundary lines between adjoining properties".

NOTES:

This Certificate of Survey was not reviewed for adequate access, installation of utilities, compliance with zoning, comprehensive plan or availability of public services; nor does this approval obligate Missoula County to provide road maintenance, dust abatement or other services.

This certificate shall not be available as a recording reference for any transfer of Portion A, B, or C, subsequent to that transfer necessary to complete the boundary relocation indicated hereon.

SURVEYOR'S NOTE:

The corner common to Sections 18 & 19, T13N, R18W, and Sections 13 & 24, T13N, R19W was originally monumented with a stone. All surveys using this corner prior to 1988 indicate that a stone was found in this location and used for said surveys as the section corner.

A Corner Recordation form filed in 1995 (from a survey done in 1988) by Thomas L. Russett, Montana Registered Land Surveyor No. 8238, with Triangle Engineering (filed in Book 458 at Page 885, Micro Records of Missoula County) indicates that in 1988 an "Original stone with proper markings" was found, and that the "Stone has been locally accepted as section corner".

The Corner Form also states that the surveyor "Set: 3-1/4" alum. cap as described on a 2-1/2" by 30" alum. Pipe, adjacent to the W. side of the stone." And, the sketch of the aluminum cap on the form indicates that it was stamped as an "RM" (reference monument) to the section corner. This suggests that Mr. Russett left the stone in its original position, and set the aluminum cap along side the stone as a reference monument to the actual corner stone.

Unfortunately, the cap is NOT stamped "RM" as the sketch on the Corner Form indicates, and surveys made since 1988 have used the aluminum cap as the corner rather than the stone. I do find the stone in place, just below the surface of the ground, and bearing S.45°E, 0.50 feet from the aluminum cap.

Adjacent monuments from surveys made prior to 1988 were found to fit the aluminum cap quite well. This suggests that the aluminum cap might actually occupy the position of the original stone, rather than being an "RM" to the section corner as noted on the Corner Form by Mr. Russett. As the existing monuments from previous surveys in this area fit the aluminum cap, and as the aluminum cap has been used as the section corner by surveyors since 1988, I have concluded to accept the aluminum cap as the true position for this section corner.

UNLESS SIGNED, SEALED AND DATED, THIS IS A PRELIMINARY OR UNOFFICIAL DOCUMENT AND CANNOT BE RELIED UPON IN WHOLE OR PART.

PURPOSE OF SURVEY:

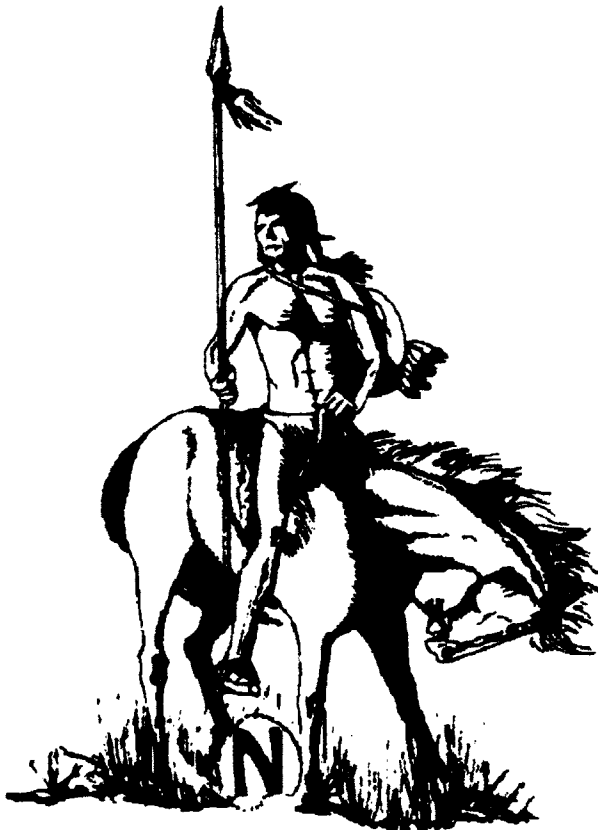

TO RETRACE EXISTING PARCELS OF LAND PURSUANT TO SECTION 76-3-404, M.C.A. THIS SURVEY DOES NOT AGGREGATE EXISTING PARCELS OR CREATE NEW PARCELS OF RECORD.

APPROVED BY:

Quinn Adams, Pres. 3-9-18
MISSOULA COUNTY - DEPARTMENT OF PUBLIC WORKS
David E. RS. 3-9-18
MISSOULA CITY-COUNTY HEALTH DEPARTMENT

SURVEYOR'S NOTE:

THE NORTH SIXTEENTH LINE OF SECTION 24 HAS BEEN LOCATED AND MONUMENTED BY OTHERS IN MULTIPLE LOCATIONS RESULTING IN A JOG IN THE NORTH BOUNDARY OF TRACT 2 OF THIS CERTIFICATE OF SURVEY. THIS SURVEY ACCEPTED FOUND MONUMENTATION FOR ADJOINING SUBDIVISIONS AND SURVEYS AS LINES OF OCCUPATION FIT SAID MONUMENTATION, RESOLVING THE TRUE POSITION OF THE NORTH SIXTEENTH LINE OF SECTION 24 WAS NOT A PART OF THIS SURVEY. IT SHOULD ALSO BE NOTED THAT RECORD DATA FROM DEED EXHIBIT NO. 2429 (R5, SORENSON 1969) AND CANYON VIEW FOUR (R6, SORENSON 1970) WERE ADDED TO CALCULATE A RECORD DISTANCE ALONG THE OLD RAILROAD CURVE FROM THE FOUND NO. 10 "T" BAR PER DEED EXHIBIT NO. 2429 TO THE CURVE'S NORTHERN TERMINUS AT THE FOUND 1 1/2 INCH BRASS CAP IN CONCRETE PER CANYON VIEW FOUR. SAID RECORDS WERE ALSO ADDED TO DETERMINE THE TOTAL RECORD CURVE LENGTH.
