Hello,

Just checking in. My sufficiency deadline is tomorrow, and I think I can call the application sufficient, pending your confirmation. What do you think? Should we set up a meeting or are we good to go for now? I am going to ask for a handful of very minor changes to certain elements of the application so could tack yours on if you have any sufficiency items.

Thanks,

Dave

Hello,

The Aspire 3<sup>rd</sup> sufficiency application files are uploaded here:

<https://www.ci.missoula.mt.us/3310/52667/Aspire-Subdivision#heading>

I am hoping we can declare the application sufficient for review this go-around, but please let me know your thoughts either way by close of business on Monday, 5/6.

Thanks,
