Fiscal Year 2026**

<b>Program</b>	Central Services	<b>Title of New Request:</b>	<b>Rank:</b> 3
<b>Department</b>	Attorney	Reclassification for an Assistant City Attorney - Prosecution	
<b>Request Category</b>	Baseline Adjustment		
<b>Request Rating</b>	Maintain Level of Service		
<b>Department Goal</b>	Maintain level of services and improvement overall office management	<b># of FTE's in this request</b>	

**1. How will request assist in achieving Department Goal and benefit the customer?**

The department is large enough (18 employees) and the administrative duties significant enough that there is a strong need for an Assistant City Attorney for Prosecution. This position would supervise the deputy city attorneys and the law school clinical intern, providing mentorship and training. This position would also require training on and knowledge of the administrative/management duties, including budget, case management systems, workflow, and office-wide operations, allowing that person to provide back-up in the absence of the City Attorney for Prosecution. Many tasks are currently being delegated and having the work concentrated in one employee with the title and job description for these duties will improve responsiveness to other departments and the public, and will improve overall office operations.

**2. What specifically is needed to achieve this goal?**

This request is not for a new position. This request would fund reclassification of a current Senior Deputy City Attorney position into an Assistant City Attorney - Prosecution position. This is necessary to improve officer operation, which in turn improves our work product and relationships with the public and other departments.
