Summary Description and rationale of project and funding sources:								
Due to legislative action at the state level Park Impact Fees are no longer able to be collected. Park impact fees have been used to support public infrastructure capacity increases. In order to meet the needs of the community related to growth as directed and related to Our Missoula Land Use Plan (LUP) and Parks Recreation Open Space and Trails 2040 plan (PROST). Impact fee have been critical in leveraging funds and expanding public infrastructure capacity related to Parks services. Parks and Recreation has used these funds to secure major grants, donations and secure other resources including with developers to respond to demands related to growing population and housing.								
History & Current Status: Impact if Cancelled or Delayed								
Capacity improvements at 44 Ranch, Pleasantview Red Fern Playground, West Side Park, Sport Courts at Franklin, Marilyn, and Sky View. Beartracks Underbridge Playground capacity increases. Loss of impact fee funding decreases City's ability to increase capacity of parks infrastructure to keep pace with development
