Plan	Parks & Recreation	Summary Description and rationale of project and funding sources:					
<p>The adopted Pleasant View Master Park Plan, as per neighborhood input, has expressed support to remove the dog offleash area and replace it with a shaded tree grove, reduction of berms and sunken turf area. Phase 1 implementation of the master plan includes trails, flowing tree grove and additional trees preserving space for a multi-use sport court, open lawn area and shelter/picnic area and restroom facilities. Pleasant View HOA priority is an east/west trail connecting sidewalks creating a looped path, trees, picnic tables and a multi-mitt station. The Pleasant View HOA has committed \$15,000 toward phase 1 park improvements in 2025. Funding for additional improvements would come from a combination of HOA donation, cash-in-lieu, grants, Park District and other funding to be determined.</p>							
History & Current Status: Impact if Cancelled or Delayed							
<p>The Pleasant View Master Park Plan was adopted in 2011. Since then, a playground has been installed in the general location indicated on the Plan. Urban Forestry secured an Arbor Day Foundation Grant with funding from the Enterprise Mobility Foundation for \$18,750 to support planting trees. The award will advance the flowering tree picnic grove and additional park trees. The intent is to fund master plan implementation and funding of subsequent years to complete sportcourt, shelter, trails and restrooms</p>
