**1. How will request assist in achieving Department Goal and benefit the customer**

This request represents the baseline funding committed through the Funding Resolution that established the local Affordable Housing Trust Fund. Funds would be transferred to the 2700 AHTF Special Revenue Fund for inclusion in the annual planning and award cycle of the trust fund. The fund awards support to projects that acquire income-restricted homes, convert property to co-op housing, acquire land for property development, fund infrastructure support for Community Land Trust programs, and provide consumer housing services to Missoulians. The Affordable Housing Resident Oversight Committee (AHROC) is charged with determining in what category the allocation should be spent, and applications for funding go through the Unified Application process.

**2. What specifically is needed to achieve this goal?**

A transfer of funds from the General Fund to the 2700 Special Revenue Fund for the Affordable Housing Trust Fund to enable funding of eligible projects that meet City housing and strategic plan goals.
