Summary Description and rationale of project and funding sources:								
<p>This is a continuation of the URD III Water Network Program. There is one project planned for FY26. This project entails installing approximately 770 total linear feet of new water main in Oxford Street and Central Avenue. This includes approximately 650 linear feet of open trench installation and approximately 120 linear feet of bore distance under Brooks Street. The new main will tie into two existing mains at West Kent and Regent Street and include a fire hydrant for increased fire suppression in the area.</p>								
History & Current Status: Impact if Cancelled or Delayed								
<p>This project has been approved by the MRA board for design & engineering. The water line could be installed in summer 2026 or 2027.</p>
